Your New Identity

Does your view of yourself, your new identity in Christ, align with how God sees you ([Rom 6:1-14](#))?

When you see as God sees, you'll do as God says. When you see your identity as God sees it, what will that do to your confidence, hope, and witness? What can you do to help others recognize their new identities?

When you have Christ, you have a powerful story. God wants to use your story to draw others to Him. For study and reflection on how to do that, see the study guide [Evangelism: Your Story](#).
