Life Interrupted

Eternity in Hell cannot make up for what Christ endured, **Rom 5:14-16**. Hell is not an equal punishment for an equal crime. God interrupted His own existence to make a way for us into Heaven.

Sometimes we don't serve God properly because we don't appreciate what happened on Calvary.

If God was willing to interrupt His existence for you, to what degree are you willing to interrupt your life for those around you who need to hear about Christ?

BUT GOD
DEMONSTRATES HIS
OWN LOVE FOR
US IN THIS:
WHILE WE WERE
STILL SINNERS,
CHRIST DIED FOR US.
ROMANS 5: 8
