## Divine Urgency

### **Php 4:7**

Do you live with a **divine urgency** about your life? Peter did. In **2Pet 1:13**, he said “...as long as I am in this tent (I will) stir you up by reminding you...”

Do you recognize your frailty and brevity? Consider this your challenge to “*stir*” others up while you are still in your tent! How can you stir someone else up in their faith **today**?
