Focus on the Future

Paul ended his first letter to the Thessalonians with a focus on the future. He knew that hope for the future gives power in the present. Here are some things future focus does:

- Comforts, **1The 4:13-15**
- Gives assurance, **1The 4:16-18**
- Reminds, **1The 5:1-5**
- Gives direction, **1The 5:6-11**

How well do you focus on the future and help others do the same?
