How to Pray for Others

In **John 17:9-23**, Jesus gave us an example of how to pray for others.

- Acknowledge they belong to God.
- Ask God to keep them.
- Ask that they have oneness with God.
- Ask that His joy is fulfilled in them.
- Ask Him to protect them from Satan.
- Ask Him to set them apart by His Truth.

Try including one or more of these in your prayers for others.
