## Don't Be a Stumbling Block

You can define spiritual leadership as "moving people from where they are to where God wants them to be."

As a leader, you will interact with others of varying stages of spiritual development. As you mature spiritually, you gain a better grasp on the extent of your liberty in Christ as well as the responsibility that brings.

In what way could your behaviors become a stumbling block to others, **Rom 14:19-22**?

- If your behaviors are a stumbling block to others, how does this harm you spiritually?
- How are you moving people, at various stages, from where they ARE to where God wants them to BE?

Brain teaser # 43:

Who is bigger: Mr. Bigger, Mrs. Bigger, or their baby?  
(for answer see the bottom of this page)

( their baby is a little bigger )
